

Respiratory Protection: Medical Evaluation Program

Demonstration

Objectives: At a separate meeting, explain your company's medical evaluation program in detail. Go through the questionnaire in the regulation's Appendix C with the trainees.

Works Well With: Groups of less than 20 employees.

Preparation Time: About 1/2 hour

Materials Required: A copy of the medical questionnaire and instructions for each employee. Provide employees with a writing surface so they can fill out the questionnaire as you go through it.
